GISP Certification Instructions for Accessing the Online Portfolio – New / 1st Time Applicant

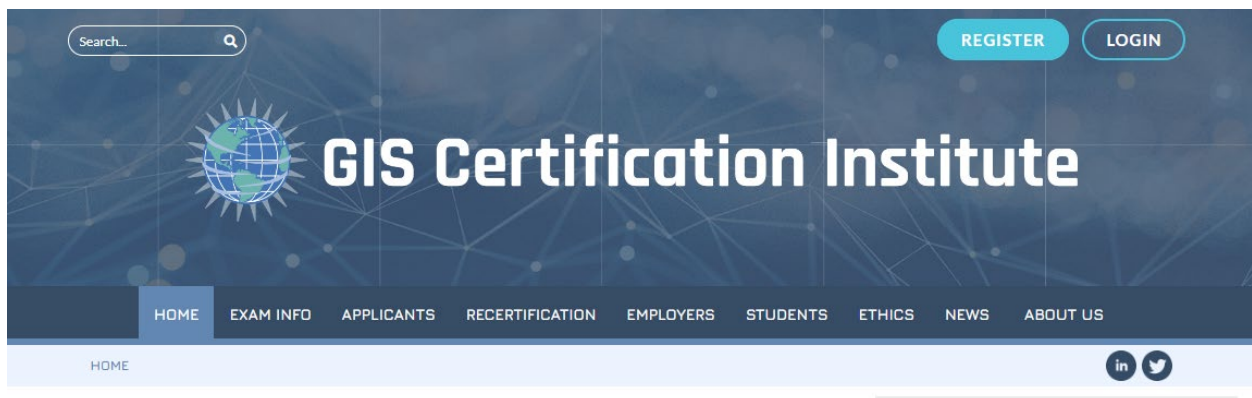

Welcome to the on-line certification process. Thank you for seeing the value in this credential!

The portal for a first-time applicant looks the same as the portal for a recertification, but the web site uses your existing GISP info to determine the correct number of points needed for a recertification.

First Time Applicant

If you are a first-time applicant to the GISCI, you must first create your profile. If you have already created your profile but forgot your login, please contact us at info@gisci.org.

Click the 'Register' button in the top, right-hand portion of the Home Page www.gisci.org. You will be prompted to fill out the required info. A registration email is automatically generated. To ensure that your registration was successful, confirm receipt of this email; if you do not see it be sure to check the spam folder. If you still do not see a confirmation email, please contact us at info@gisci.org. When creating your account, we highly recommend that you use a personal email address, not one from your employer. Since folks will sometime change careers, using personal email is the best way to ensure we can always contact you.

Returning Applicant

To log into your account, click the **'Login'** button on the top, right-hand portion of the screen. You will be prompted for your username and password. Enter both and click on the 'Login' button.

Submitting Information into your Portfolio

To enter your portfolio, click **GIS Portfolio Application/Renewal & Exam** in the middle of the screen or upper-right corner.

The first time you access the site for recertification, you will need to click the **Start Application** button at the bottom of the screen (see below). If you do not see that button, it likely means that you already started working on your portfolio. If that's the case, jump right in!

- The appropriate button will be found at the end of this page

If you are currently a GISP, please use your pre-existing profile to recertify. If you create a new registration, the site will not recognize an existing certificant. Please email us at info@gisci.org for your log in information.

The Portfolio Review is one [part of a two-part process now necessary to obtain a GISP Certification](#). You must also take and pass the Technical Knowledge Exam®, offered separately from the Portfolio Review.

The Portfolio Application will allow you to return and update or modify your records at will before submitting. You do not need to complete the process at one sitting, and you pay nothing until you are ready to submit. Payment of the Application Fee, Portfolio Review Fee, and Exam Fee will be made in a separate contact after you have successfully submitted or applied online.

Registration and use of the online portal is free. For questions or comments relating to the process, please email us at info@gisci.org.

Thank you for your interest in GISCI and the GISP Certification, and we are pleased to have you either as a visitor, an applicant, or a GISP!

Regards,

Anthony A. Spicci, GISP CGMP
Executive Director, GISCI

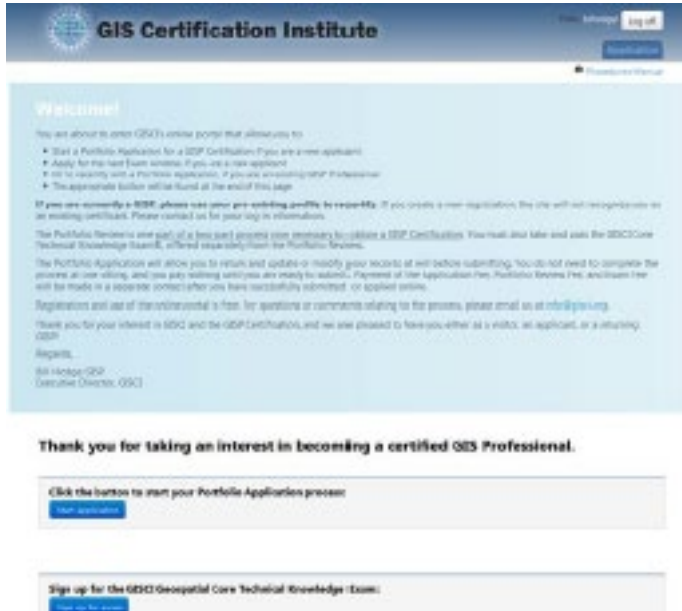

Thank you for taking an interest in becoming a certified GIS Professional.

When you are ready to start the renewal process click the button:

[Start application](#)

Only the **Application** tab and **Sign Up for Exam** buttons will be visible in succeeding logins.

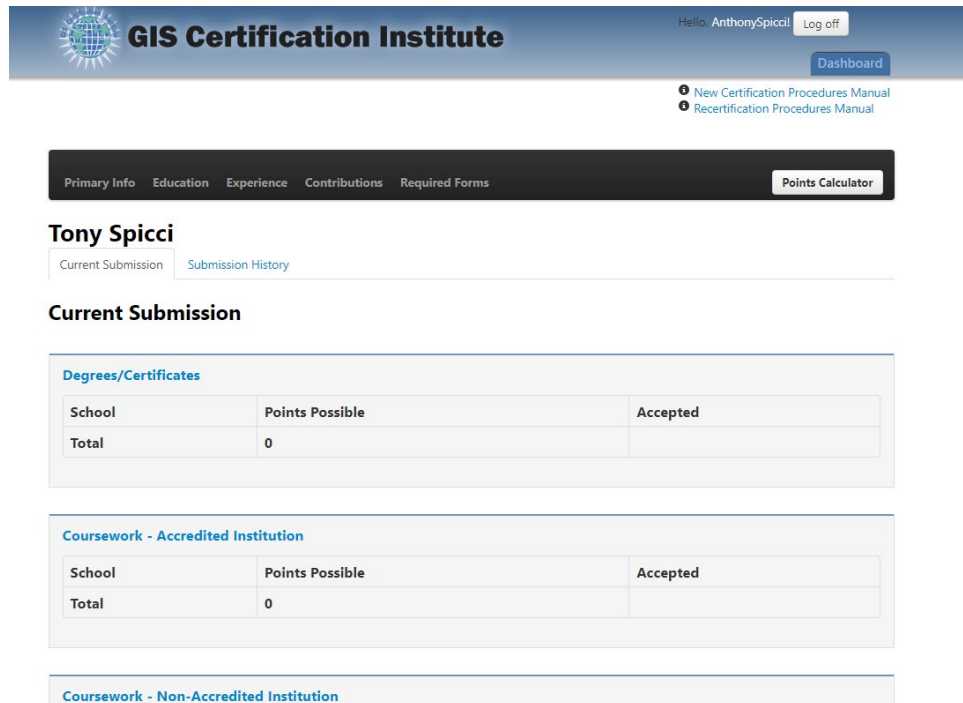

If the **Start Application** button isn't visible at the bottom of the page, Click the **Application** tab on the top right.

To begin the Portfolio Application, click the **Application** tab on the top right portion of the screen and start filling out the Education, Experience and Contributions info under each tab.

To apply for the next, upcoming Exam, use the **Sign up for exam** button at the bottom of the screen.

When you begin the Portfolio Application portion, the screen will look similar to this:

If you hover over the **Points Calculator** button, you will see a summary of the points the web assigns to each section as you enter events.

The screenshot shows the GIS Certification Institute user interface. At the top, there is a header with the logo, the name 'GIS Certification Institute', and a user profile 'Hello, AnthonySpicci!' with a 'Log off' button. Below the header is a navigation bar with tabs for 'Primary Info', 'Education', 'Experience', 'Contributions', and 'Required Forms'. The 'Experience' tab is active. On the right side of the navigation bar, there are two buttons: 'Submit Application' and 'Points Calculator', with the latter highlighted in yellow. Below the navigation bar, there is a section for 'Add Employer' with a search bar and 'Edit' and 'Delete' buttons. To the right, there is an 'Add Experience' section with a 'Show' dropdown set to '10' entries and a search bar. Below this is a table with columns: 'Exp Level', '% Full Time', 'Pts/Year', 'Duties', and 'Reviewed'. The table contains one entry for 'Tier 3 - GIS User' with 100% full time and 20.00 points per year. A 'Total' row shows 20.00 points. There are also 'Previous' and 'Next' navigation links and a 'History' button at the bottom left.

Here is what the Points Calculator should look like:

The screenshot shows the GIS Certification Institute user interface for a user named 'TrumanTaxi!'. The 'Points Calculator' button is highlighted, and a modal window is open showing a summary of points. The background page shows the 'Current Submission' for 'Truman The Tiger' with a table of 'Degrees/Certificates' from the University of Missouri-Columbia. The 'Points Calculator' modal window displays the following data:

	Points	Goal	Met
Education	30.60	30	👍
Degrees/Certificates	25.00		
Accredited	2.00		
Non-Accredited	1.00		
Workshop/Vendor Training	2.60		
Experience	488.42	60	👍
Contributions	15.00	8	👍
Supplemental Points	436.02	52	👍
Required Forms			👎
Total	534.02	150	👎

Click **'Submit Application'** when the points calculator brings the **'Submit Application'** button into view after all point categories have been met. It will not appear until all point requirements have been met and you have submitted your Ethics Statement and Employer Supervisor Letter under **Required Forms**. You will not pay until you officially submit the application, and you can continue to access the info as long as you desire, as you continue your education and/or professional career. The information is automatically saved as you enter it.

The screenshot shows the GIS Certification Institute dashboard for user Tony Spicci. The top navigation bar includes the logo, the name 'Hello, AnthonySpicci!', a 'Log off' link, and a 'Dashboard' button. Below this, there are links for 'New Certification Procedures Manual' and 'Recertification Procedures Manual'. A secondary navigation bar contains tabs for 'Primary Info', 'Education', 'Experience', 'Contributions', 'Required Forms', 'Submit Application', and 'Points Calculator'. The 'Submit Application' button is highlighted in green and has a red arrow pointing to it. Below the navigation, the user's name 'Tony Spicci' is displayed, along with tabs for 'Current Submission' and 'Submission History'. The 'Current Submission' section is active, showing a table titled 'Degrees/Certificates' with columns for 'School', 'Points Possible', and 'Accepted'. The table contains one row for 'Total' with a value of '0' in the 'Points Possible' column.

School	Points Possible	Accepted
Total	0	

After you submit, you will be prompted to make payment for the Portfolio Review. Click **'Purchase'** which will bring you to the completion screens: provide updated contact info and submit payment. You may choose to pay on-line or request an invoice. If you request an invoice, it will be emailed to you automatically and include a link to make an online payment. If you need an alternative payment method, please contact Kent Park, our Certification Coordinator at kpark@gisci.org. We will automatically provide receipts upon payment or an invoice for organization reimbursement, if requested.

Please be sure to mail payment to the following address:

GISCI
503 E. Nifong #338
Columbia, MO 65201-3717
